CLUB GROWTH

The District is very proud of its seven new clubs to date together with their sponsors and mentors:-

Anglian Advanced Speakers – Division G – Area 25
Google Phonic – Division M – Area 18
Accentuators – Division M – Area 2
Amazon – Division M – Area 26
G-Toast UK – Division G – Area 41
Chester Corporate Speakers – Division E – Area 48
Castlebar Toastmasters – Division F – Area 12

We expect the following clubs to charter in May/June:-
Allianz, Digital Hub, Deutsche Bank Birmingham, Lincoln

We recently did a demo in two corporates. In one the demo was videoed and was watched on Skype by the branch offices in Manchester and Atlanta. In the other one branch offices in Sligo and Belfast listened in.

Thanks to all toastmasters across the District who assist in following up leads and in getting clubs up and running. Thanks also to those non-toastmasters who are inspired to start a club in their community or company.
