Toastmasters Rules Regarding Contests

Districts must conduct the International Speech Contest. The International Speech Contest shall only be conducted in English.

Districts may conduct up to three additional English-language speech contests each year.

Contests must originate at the club level and proceed through the area, division, and district levels, respectively; only contests following this progression are permitted at each level. All clubs are eligible to advance contestants to the area level in all contests regardless of the contest language or the primary language of the club.
