The quorum for club votes is 138 (1/3 of eligible votes, plus one). 147 club votes were registered. There were 47 members of the District Executive Committee registered to vote, resulting in a 194 registered votes for the meeting. The District Parliamentarian declared that the quorum requirement was met
7. Eileen O'Neill, Finance Manager, delivered a presentation about District finances for the year 2020/21 (*page 43*)
8. John Conroy, VPE of Tallaght Toastmasters, asked for clarification of the expenditure related to "marketing outside Toastmasters". Eileen O'Neill provided some examples of expenditure, including the use of Panpathic/Bookbooster PR agency to promote articles written by members of the District on behalf of Toastmasters
9. Bernie Wilson, Area Director, asked about the process of claiming incentives. Eileen O'Neill explained that this would be addressed in a later agenda item
10. Sharon O'Neill, VPE of Online Orators, raised a concern that the meeting may not be quorate as some people that had registered to attend were not present in the meeting. The presiding officer asked the District Parliamentarian to investigate the concern and sought the consent of the assembly to continue with the business of the meeting
11. Brenda Lannon, Program Quality Director, delivered a presentation about the historic achievement of goals in the Distinguished Clubs Program, the incentives being made available to clubs and the draft 2021-22 budget for program quality (*page 18*)
12. Mandy Davis, President of Stevenage Speakers, said that she was surprised that there were so many members not enrolled in Pathways and asked how it was possible for members to participate without using Pathways. Brenda Lannon explained that some members like to just attend meetings and take on meeting roles, but without using Pathways they do not get the full benefits of being a member. She advised that mentorship and the support of fellow members of the club can be useful
13. Paul O'Mahoney, President of Toastmasters4Golf, raised a point of information that Pathways Mentoring Program Award has been achieved by very few members in both District 71 and District 91 so far
14. Matthew Rizzo, VPE Sheffield Speakers, raised a point of information that even though the Speechcraft program can be sponsored by the club, only the person who is the Speechcraft coordinator gains credit towards their DTM award
15. Philip Cooper, President of Dundee Toastmasters, raised a question about whether the proposed 600 Euro for external training was sufficient. Brenda Lannon responded that last year the District was able to purchase relevant training with a similar budget
16. Elizabeth Jordan, Club Growth Director, delivered a presentation about the Growth Academy, the incentives being made available to clubs and the draft 2021-22 budget for club growth (*page 30*)
17. Matthew Rizzo, VPE Sheffield Speakers, raised a point of information that there was an incentive in District 91 for the first 25 clubs to renew 12+ members before the end of August
18. Mandy Davis, President of Stevenage Speakers, raised a point of information that her club had only just managed to make a decision on whether to go back to face to face meetings or Zoom and so can only now ask for payment from members
19. Ernold van Bueren, PR Manager, delivered a presentation about the PR team, the incentives being made available to clubs and draft 2021-22 budget for PR (*page 45*)
20. Larry Lyons, District Parliamentarian, provided an update that he had reviewed the guidance issued by Toastmasters International regarding the quorum requirements for District Council meetings that are held online. This guidance (which is published at <https://www.toastmasters.org/leadership-central/district-leader-tools/district-management/virtual-meeting-and-vote>) states that the quorum should be calculated based on the number of people that have registered to attend and vote at the meeting
21. A 10-minute recess was held
22. Steve Champion, Administration Manager, delivered a presentation about the draft 2021-22 budget for administration (*page 52*)
23. Jenny Harris, President of Shropshire Speakers, asked about the bank account used by the District. Eileen O'Neill explained that the account is currently with Allied Irish Bank and that it needs to offer specific facilities that allow Toastmasters International World Headquarters to be able to manage it
24. Eileen O'Neill, Finance Manager, delivered a presentation with a summary of the draft 2021-22 budget (*page 54*)
25. Philip Cooper, President of Dundee Toastmasters, asked for clarification on the budgets allocated to Division Directors and Area Directors. Eileen O'Neill provided additional information

26. Daniel Sandars, District Director, presented his proposals for strategic initiatives and uses of funds from the District reserve and other budget areas (*page 57*)
27. Eileen O'Neill, Finance Manager, explained that there are two additional "break-even" transactions that need to be included in the 2021-22 budget (*page 56*)
 - a. Annual conference (3000 income and 3000 expenditure)
 - b. Pro bono consultancy services by the Worshipful Company of Marketors (4500 income and 4500 expenditure)
28. Returning to the topic of quorum for the meeting, the District Director will ask Toastmasters International to review the specific details of this District Council meeting. If it is concluded that a quorum was not present, then the District Director will seek approval of all business conducted through an affirmative vote of a majority of the member clubs in the District on the basis of two (2) votes per club
29. Daniel Sandars, District Director, proposed that due to an unforeseen delay in the audit process, the audit report of the District finances for the year 2020/21 should be presented for approval at the District Council meeting in May 2022. The motion was passed by unanimous consent and the District Council will review the audited accounts in May 2022
30. Daniel Sandars, District Director, moved that the District Officer appointments that were presented earlier in the meeting be approved. An electronic vote was held, with the result being 125 for and 0 against. The motion was passed and the appointments were confirmed
31. Nishanth Mohan, President of Godiva Speakers, asked why the District was proposing to pay for a Canva Pro license when it would be possible to use a free version. Daniel Sandars responded that this was to participate in an Enterprise account that will be operated by Toastmasters International and allow collaboration between Districts across the world. The intention is that this would help to provide a library of content that could be used for the benefit of clubs in the District
32. Mandy Davis, President of Stevenage Speakers, asked why the District was proposing to pay for stock images when so many people take photos during meetings. Daniel Sandars responded that there have been problems with copyright in the past and that there was a desire to provide high-resolution images that could be used for the benefit of the District and all member clubs
33. David Clinton, VPE of Newbridge Toastmasters, asked if the District used Google Analytics on its website or had considered developing a mobile app. Ernold van Beuren responded that website analytics are being set up
34. Paul O'Mahoney, President of Toastmasters4Golf, asked if the District has an emergency response plan for what clubs should do if someone is a confirmed COVID-19 case after attending an in-person meeting. Daniel Sandars responded that the District has clubs that operate under the jurisdiction of multiple healthcare authorities and that the relevant guidance is frequently changing. He advised that all clubs should follow the rules and guidance provided by their relevant health authorities and that provided by the venue in which they meet, and that they should consult with their own members to ensure that they are comfortable with the plans
35. Philip Cooper, President of Dundee Toastmasters, asked if the consultancy service being offered by the Worshipful Company of Marketors is a resource that all clubs could use. Elizabeth Jordan provided additional information and explained that District-wide training and workshops will be provided and that wide participation is encouraged, and that the consultancy will not be focused on individual clubs
36. Jamie O'Shea, President of Tower Toastmasters, asked if it would be possible to spend an additional 30,000 Euro on PR and training. Eileen O'Neill explained that this is not permitted under the Toastmasters International rules, but it is possible to create proposals for long-term strategic investments
37. Mari Manning, President of Cork East asked if it is possible to set up a bulk buy process or have some Toastmasters International stock in Ireland to avoid excess charges. Steve Champion responded that the District Leadership Team has been working to reduce the number of individual orders from the Toastmasters International store in order to reduce the costs of delivery and import fees, and that it is necessary to make separate arrangements for deliveries in the UK and Ireland due to changes in taxes and fees for shipments between the two countries. For purchases by individual clubs, there is a good opportunity for clubs in Areas and Divisions to work together to combine their orders
38. Howard Balkind, Area Director, asked if there is a budget for local business exhibitions such as local Federation of Small Businesses? Elizabeth Jordan advised that the District's Growth Academy would be looking to support such opportunities

39. Daniel Sandars, District Director, proposed the approval of the 2021-22 budget. An electronic vote was held with the result being 108 for and 1 against. The motion was passed and the budget was approved
40. Bernie Wilson, Area Director, asked if there is a budget to help clubs to run hybrid meetings. Daniel Sandars explained that the District is not permitted to pay for club running costs. He advised that the District does provide a range of incentives for clubs and that some clubs had used their incentive awards to pay for meeting technology. He also advised that members of the District's Zoom Academy would be able to offer help and advice and that the Toastmasters International website now has additional information on how to run hybrid meetings
41. Thérèse Kinehan, Division Director, asked what the procedure is for a club deciding to stay online, go hybrid or return to full in-person meeting. Daniel Sandars responded that the committee of the club should present its recommendations at a quorate business meeting of the club for them to vote. Changes to meeting times, venue or meeting format requires a change to the club's standard addendum to the club constitution. This should be recorded on Club Central after the relevant vote has taken place
42. Daniel Sandars, District Director, presented upcoming District events (*page 59*):
 - a. Sunday 19th September 2021 at 7pm: District 71 Town Hall meeting
 - b. Friday 24th September 2021 at 7pm: Hall of Fame 2020-21
 - c. Saturday 4th December 2021: District Christmas party
 - d. 17-28 January 2022: Visit of Francesco Fedele, Region 10 Advisor
 - e. 20-23 May 2022: District conference
43. Eileen O'Neill, Finance Manager, delivered a presentation about the management of incentives (*page 60*)
44. Daniel Sandars, District Director, briefly discussed the format for the May 2022 conference and advised that venues are being researched for the May 2023 conference
45. Daniel Sandars, District Director, thanked the parliamentary team and Zoom team for their contribution to the meeting
46. Daniel Sandars, District Director, thanked all members of the District Council for a service
47. There being no further business, the meeting was adjourned at 12:25pm

Distribution: District Council members

Additional information regarding meeting quorum

At our council meeting on the 11th September 2021 the issue of how the Credentials report quorum was tabulated was debated. The meeting agreed that clarification would be sought from Toastmasters International HQ in relation to the issue raised. Communication received from TM International HQ has validated our position in relation to the process used in deciding the D71 Council meeting being quorate i.e. Quorum is based on the registration process leading up to the council meeting.
