

Electronic Voting Software

The Toastmasters District 71 “District Council Meeting” is being held on the 21st September 2026 at 7pm.

Those eligible to attend and vote at the meeting are:

1. Seven members of the District Leadership team
2. Division Directors
3. Area Directors
4. Presidents and Vpe’s from the Districts eligible clubs.

The meeting is being held online on Zoom.

Some voting at the meeting may be conducted using electronic voting software. The voting platform that we use is “Election Runner”.

Election Runner

“Election Runner” is a trusted secure cloud-based system and is suitable for online and hybrid meetings. It automatically collects and counts the votes.

Email

“Election Runner” is email based and the vote will be issued to the email address that you register for the meeting with.

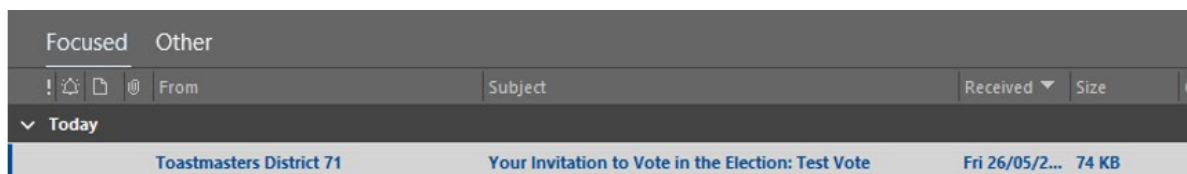

We recommend that you use 2 devices at the meeting, one that you use Zoom on and one that receives emails. You may find it easier that way.

Sometimes the email from “Election Runner” may find its way into your Spam folder or can be blocked by email filters etc. It is important to check these.

Voting Process

When the voting starts it will take up to 90 seconds for the email to arrive in your inbox.

The email will be from Toastmasters District 71.

If you do not receive your email, it will usually be because you did not follow the meeting registration process or it is in your Spam folder.

You will be presented with your log in information. You will note that the Voter ID indicates how many votes you have.

Toastmasters District 71 has invited you to vote in the election: **Test Vote**
